

## **Defense Solutions Holdings Inc. / DFSH Distributes Revision Eyewear Products to Iraq and Afghanistan**

EXTON, Pa., July 07, 2009 -- Defense Solutions, Inc., an international project management and executive consulting firm, a wholly owned subsidiary of Defense Solutions Holding, Inc. (OTC Bulletin Board: [DFSH - News](#)), announces that the Company will begin marketing and distributing military protective eyewear products from Revision Eyewear (“Revision”) to the military and law enforcement markets in Iraq and Afghanistan. This agreement marks the first time that Revision’s military protective eyewear products are made available to the Iraqi and Afghanistan markets.

Revision Eyewear develops purpose-built eyewear for military, law enforcement and tactical clients worldwide. Revision products deliver the highest standards of protection, optical clarity, durability, compatibility and comfort. Major clients include all services within the U.S. Military, the Canadian Department of National Defense, the Belgian Ministry of Defense, the Swiss Department of Defense, and the Netherlands Armed Forces. Privately owned and ISO 9001:2000 certified, Revision’s operational facility is located in Essex Junction, Vermont, USA, with additional offices in the U.K., Germany and Canada.

“We are excited about the addition of Revision’s products to our portfolio of military, law enforcement and tactical product line. Revision’s commitment to quality products is in line with Defense Solutions’ commitment to provide only the highest quality of products, ensuring the safety of the military and law enforcement personnel, to the Iraqi and Afghanistan market,” commented COL (Ret) Timothy D. Ringgold, CEO of Defense Solutions.

### **About Defense Solutions:**

Defense Solutions Holding, Inc. is headquartered in Exton, PA with offices on four continents. Established in 2001, Defense Solutions’ founding corporate philosophy is to deliver the world's best solutions to our service members so they can perform their jobs with minimal risk. Defense Solutions has consulted with and worked for US Federal and State departments and agencies, the White House, and international allied organizations including the Iraqi Ministry of Defense, the North Atlantic Treaty Organization (NATO), and the Multi-National Force in Iraq to devise and implement strategies supporting armed forces and civilian programs. Many of these programs directly support US and allied soldiers in combat and veterans in retirement. Defense Solutions’ European office maintains exclusive agreements with European partners to deliver several world-class technologies and capabilities to US and allied nations to include new production and retrofit of armored and combat vehicles, spare parts, and ammunition, supported by end-to-end integrated logistics, training, and maintenance solutions.
