

Defense Solutions Holding Inc. / DFSH Awarded First Commercial Contract in Iraq

EXTON, Pa., June 3, 2009 -- Defense Solutions, Inc., an international project management and executive consulting firm, a wholly owned subsidiary of Defense Solutions Holding, Inc. (OTC Bulletin Board: [DFSH - News](#)), announced today that the Company has signed a \$750,000 contract to supply pipeline parts to North Gas Company, a state-owned company of Iraq. This contract represents Defense Solutions' first commercial-based contract in Iraq and an important milestone in our commitment to the rebuilding process.

"This first commercial contract in Iraq illustrates the importance of our in-country presence, solidifying our relationship with the Iraqi government, and the significance of Defense Solutions commitment to rebuilding Iraq," commented Defense Solutions' Chief Executive, Colonel Timothy Ringgold, US Army (Retired). "Today's announcement represents the tip of the iceberg. We anticipate additional significantly larger contracts from Iraq as their government continues to focus on rebuilding the country. Contracts may consist of various military and non-military projects including rebuilding of homes, businesses and infrastructures like roads and bridges. I look forward to updating our shareholders with additional developments and revenue opportunities."

About Defense Solutions:

Defense Solutions Holding, Inc. is headquartered in Exton, PA with offices on four continents. Established in 2001, Defense Solutions' founding corporate philosophy is to deliver the world's best solutions to our service members so they can perform their jobs with minimal risk. Defense Solutions has consulted with and worked for US Federal and State departments and agencies, the White House, and international allied organizations including the Iraqi Ministry of Defense, the North Atlantic Treaty Organization (NATO), and the Multi-National Force in Iraq to devise and implement strategies supporting armed forces and civilian programs. Many of these programs directly support US and allied soldiers in combat and veterans in retirement. Defense Solutions' European office maintains exclusive agreements with European partners to deliver several world-class technologies and capabilities to US and allied nations to include new production and retrofit of armored and combat vehicles, spare parts, and ammunition, supported by end-to-end integrated logistics, training, and maintenance solutions.
